

We Can Change Harrisburg!

- ***Legislative Reform***

Audit the General Assembly for waste and abuse; make all legislative meetings public; require public comment on legislation; ban gifts to public officials.

- ***Political Reform***

Enact 12-year term limits for House and Senate members; term limit committee chairs; require instant online posting of legislative voting records; ban taxpayer funded “public service announcements.”

- ***Taxation and Spending Reform***

Implement a “Taxpayers Bill of Rights” to limit spending increases; eliminate unfunded mandates; limit political distribution of tax dollars to special interests; require a three-fifths majority to pass a tax increase; work to eliminate property taxes.

- ***Legal and Labor Law Reform***

Give taxpayers a vote on legal reform measures; end unlimited jury awards and enforce a “loser pays” rule; allow Pennsylvanians to choose whether or not they want to join a union.
